PROFESSIONAL SUMMARY

Detail-oriented and creative Interactive Media undergraduate with professional experience as a VFX Artist and Video Editor. Skilled in the complete post-production pipeline including 3D modeling, motion graphics, video editing, and color grading. Currently working as a VFX & Composite Artist, delivering motion graphics, VFX, and AI-assisted video content. Combines technical proficiency with a strong creative foundation in cinematography and lighting. Has delivered broadcast-quality work for multiple national TV commercials.

TECHNICAL SKILLS

Video Editing: Adobe Premiere Pro, DaVinci Resolve

Motion Graphics: Adobe After Effects

3D Modeling & Animation: Blender

VFX & Compositing: Adobe After Effects, Blender (3D tracking, rotoscoping, chroma keying, screen replacement, background replacement)

AI Video & VFX Tools: Higgsfield, InVideo, Beeble, Figma Weave

Color Grading: DaVinci Resolve

Design: Adobe Photoshop

WORK EXPERIENCE

VFX & Composite Artist | *KML Productions (Pvt) Ltd · Rajagiriya, Sri Lanka* *Jun 2026 – Present*

- Create motion graphics, animations, and VFX for Prime Lands and Home Lands.
- Produce AI-generated video content for client projects using Higgsfield, InVideo, Beeble, and Figma Weave.
- Design and animate end cards, product windows, and lower thirds.
- Perform background replacements and compositing for client video content.

VFX Artist | *Sky Films International · Nugegoda, Sri Lanka* *Jun 2024 – Mar 2025*

- Delivered broadcast-quality VFX for multiple national TV commercials, including Uswatte Chirpy Chips, Rich Look, People's Bank, Little Lion, and PickMe Flash.
- Executed 3D modeling and product animation in Blender, including full product packaging, ATM stalls, and 3D office environments.
- Performed 3D tracking, rotoscoping, and chroma keying (green screen) in Adobe After Effects, integrating live-action footage with 3D composited elements.
- Created motion graphics, lyric-based collage sequences, and brand outro animations across multiple client campaigns.
- Handled complete post-production pipelines: color grading in DaVinci Resolve, subtitle editing in Premiere Pro, and multi-pass rendering for compositing workflows.

PROJECT EXPERIENCE

Uswatte Chirpy Chips – TV Commercial *Jan 2025 – Feb 2025*

- Delivered broadcast-quality 3D assets by modeling the product in Blender.
- Executed all product animation and final compositing in After Effects.

Rich Look – 'A Holiday Filled With Smiles' Campaign *Dec 2024*

- Executed complete motion graphics product window for the brand's holiday promotion.
- Animated and composited the final sequence in After Effects.

Eva Father's Day Documentary *Nov 2024*

- Animated end-brand logo and motion graphics collage in After Effects.
- Handled full subtitle editing in Adobe Premiere Pro.

People's Bank – 'People's Remittance' TV Commercial *Oct 2024 – Nov 2024*

- **VFX Compositor:** Handled 3D tracking, rotoscoping, and chroma keying (green screen) in After Effects; integrated live-action actors with 3D elements and performed screen replacements.
- **3D Artist:** Modeled a 3D ATM stall and complete 3D office environment in Blender; managed all camera animation and multi-pass rendering for the compositing pipeline.
- **Motion Graphics Artist:** Created a dynamic lyric-based collage sequence and final brand outro animation in After Effects.

Little Lion – TV Commercial *Oct 2024*

- Led digital product update for a TVC by modeling new 3D packaging in Blender.
- Used After Effects 3D tracking to replace old products in live-action footage.
- Designed and animated the final 3D/2D product window.

PickMe Flash – TV Commercial *Sep 2024 – Oct 2024*

- Handled all motion graphics and VFX for the commercial.
- Applied digital branding to vehicles using 3D tracking in After Effects and Blender.
- Animated a service explainer sequence and designed the final brand end card.
